

# Santos Tour Down Under 2019

## Subaru Stage 3: Lobethal to Uraidla

### Complete road closures - Thursday 17 January 2019

- Main St, Lobethal between # 75 Main St and Woodside Rd from 6:00am - 2:00pm\*

\*These closure times have been put in place for community safety and to allow set up and pack down of event infrastructure. However, we would expect to commence reopening of roads prior to this time.

**Important detail:** The majority of the closed section of Main St will be lined with metal Tour Down Under barriers preventing vehicle access to properties/businesses during the closure.

Please consider parking your car outside the complete closure on Wednesday night in order to access it on event day.

### Rolling road closures

The remainder of the event circuit (see overleaf) will operate under **'rolling' road closures** managed and enforced by SA Police and supported by trained traffic marshalls.

### Race route details

Further information on all stages of the 2019 Santos Tour Down Under – including race times and route maps - are available via [tourdownunder.com.au](http://tourdownunder.com.au).

### Community fundraising and trading

If you are considering selling food or other goods during the event - for fundraising or profit - please visit [ahc.sa.gov.au/visitor/TDU](http://ahc.sa.gov.au/visitor/TDU) to register with Council for any necessary permits.

### Parking

Parking restrictions will apply along Main St, Post Office Rd and Bartholomew Rd. Please refer to our website for more detailed information on these over the coming weeks.

### Public transport

Adelaide Metro's website ([www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)) will have up to date information on public transport interruptions and diversions in the coming months. Council's website and social media channels will also have regular updates.

### Santos Women's Tour Down Under 2019

Stage 1 of the Women's race will be travelling through Lobethal on Thursday 10 January at approximately 12:20pm. This leg of the race will be managed by SA Police using 'rolling' road closures only with no significant delays expected.
