

3 December 2018

To the resident,

The Santos Tour Down Under returns to Uraidla in 2019 and we are excited to be partnering once more with the Uraidla community to host the Subaru Stage 3 finish on Thursday 17 January.

Starting in the main street of Lobethal, riders will sprint through Charleston twice before tackling the King of the Mountain challenge on Fox Creek Rd. The route then heads through Lenswood and into the Piccadilly Valley to complete an unprecedented seven laps through Carey Gully, Summertown and Uraidla to a dramatic finish in Uraidla's main street.

Uraidla will be buzzing with food, entertainment and activities in the main street area during the day culminating in the stage winner presentations on Uraidla Oval. A number of businesses and community groups are already planning their own events along the route to capitalise on the excitement of the day.

To enable the event to run smoothly and safely, a number of parking and traffic restrictions will be implemented on the day. Enclosed are the details of the race route and restrictions in the Uraidla area. Detours will be in place to ease congestion and direct onward travellers around the race circuit. Access for emergency services will remain open at all times.

Outside of these restrictions, South Australia Police will manage traffic using 'rolling road closures'. It is important to note that race conditions will likely result in delayed access into and out of the race circuit for extended periods of time between 12:00pm – 3:00pm. Please familiarise yourself with these restrictions and delays and plan your day accordingly. If you are planning to leave during this time please consider doing so early.

We appreciate your understanding while the Adelaide Hills hosts this world-class event. For more information about 2019 Santos Tour Down Under and Women's Tour Down Under please visit [tourdownunder.com.au](http://tourdownunder.com.au). For up to date information on the Subaru Stage 3 Finish, visit [ahc.sa.gov.au](http://ahc.sa.gov.au) and follow us on social media. Please do not hesitate to contact Anisa Cadd, Events Administrator on 8408 0441 with any questions you may have.

Yours sincerely

David Waters  
Director, Community Capacity
