

HOW TO NOMINATE

IDENTIFY SOMEONE AWESOME

We bet that you already have someone in mind who has done something cool in the community. Remember: they don't have to be saving the world, they just need to be making some kind of difference in their community.

COLLECT ANY HELPFUL STUFF

If you've got anything that helps tell your story - like photos, news articles, letters of support - grab them up and scan them onto your computer.

GO TO THE ONLINE FORM

Nominations can be entered quickly at citizenoftheyear.com.au/nominate/. Enter your details, their details, and why you think they're worth celebrating. That's it!

CROSS YOUR FINGERS

Once your nomination is in, you can relax. Now the selection committee will decide who gets an award in January. (You'll hear from us either way.)
