The Theme

The theme of this year's exhibition is Adelaide Hills Biodiversity - Artwork reflecting biodiversity across the Mount Lofty Ranges region.

Biodiversity defines the variety of all forms of life on earth — plants, animals and micro-organisms and the ecosystems of which they are a part of. The biodiversity across the Mount Lofty region, of which Adelaide Hills Council is a part, is still considered to be reasonably high and is formally recognised as one of 15 Commonwealth biodiversity hotspots. More information is available on the Adelaide Hills Council website: <https://www.ahc.sa.gov.au/environment/biodiversity-in-the-hills>
