

Application Guidelines

Council provides individual Youth Incentive Grants to assist young residents to participate in sporting, cultural, or civic participation activities.

How much can be applied for and when?

Applicants may apply for a Youth Incentive Grant of \$100 for individuals to attend representative activities. These may include sporting, cultural, or civic participation endeavours.

Grants will be limited to a single application per applicant per calendar year.

Grants are open throughout the year, until the allocated budget is exhausted.

How to apply?

To apply for a Youth Incentive Grant applicants must complete an online Application Form available on the Adelaide Hills Council website. [Community Grants \(ahc.sa.gov.au\)](http://ahc.sa.gov.au)

Applicants must have completed the application form in full. Incomplete applications may not be accepted.

Eligibility of the applicant

- Any young person aged under 25 who lives in the Adelaide Hills Council district is welcome to apply
- Youth Incentive Grants are only available to individuals. Team applications cannot be accepted.
- Youth Incentive Grants will provide applicants with support for a single event or activity only
- Applications must include the following details:
 - ➔ the activity that they are requiring support for (name of the event, date, and location)
 - ➔ applicant's name and residential address
 - ➔ bank account details (BSB, account number, account name) that you wish the grant to be paid into if your application is successful
- Applicants must include evidence of their selection or invitation to the event. This can be a letter or email of the governing body of the event
- Applicants must include evidence, either by a letter or an email for participation of the activity they wish to participate in.

Eligibility of the event or activity

Grant funding will **not** be provided for:

- Commercial or party-political activities
- Religious activities
- The reimbursement of funds already spent prior to receiving approval (applicants cannot seek funds retrospectively)
- Services that form part of regular compulsory school curriculum activities. This grant cannot be used for school or tertiary study costs
- Activities for the purpose of general fundraising or sponsorship

What will the Youth Incentive Grant be used for?

Provide a brief summary of how the Youth Incentive Grant will be spent.
