

ADELAIDE HILLS COUNCIL
ORDINARY COUNCIL MEETING
Tuesday 4 September 2023
CONFIDENTIAL AGENDA BUSINESS ITEM

Item: 6.1

Responsible Officer: David Collins
Manager Strategic Assets
Infrastructure and Operations Directorate

Subject: Amy Gillett Stage 4 – Alternate Offer to State

For: Decision

1. Amy Gillett Stage 4 – Alternate Offer to State – Exclusion of the Public

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except:

- Chief Executive Officer, Greg Georgopoulos
- Director Community Capacity, David Waters
- Director Corporate Services, Terry Crackett
- Director Development & Regulatory Services, Natalie Armstrong
- Acting Director Infrastructure & Operations, John McArthur
- Executive Manager Governance & Performance, Lachlan Miller
- Manager Strategic Assets, David Collins
- Manager Open Space, Chris Janssan

be excluded from attendance at the meeting for Agenda Item 6.1: (Amy Gillett Stage 4 - Alternate Offer to State) in confidence.

The Council is satisfied that it is necessary that the public, with the exception of Council staff in attendance as specified above, be excluded to enable Council to consider the report at the meeting on the following grounds:

- (j) Section 90(3)(j) of the *Local Government Act 1999*, the information to be received, discussed, or considered in relation to this Agenda Item is information the disclosure of which –
- (i) would divulge information provided on a confidential basis by or to a Minister of the Crown, or another public authority or official (not being an employee of the council, or a person engaged by the council); and
 - (ii) would, on balance, be contrary to the public interest.

Accordingly, on this basis the principle that meetings of the Council should be conducted in a place open to the public has been outweighed by the need to keep the information and discussion confidential.

2. Amy Gillett Stage 4 – Alternate Offer to State – Confidential Item

SUMMARY

The purpose of this report is to recommend an alternate offer to the State Government regarding funding of the Amy Gillett Stage 4 (Mount Torrens to Birdwood).

The completion of the Amy Gillett Bikeway has been a high priority for the community and Council. The State Government completed 3 stages from Oakbank to Mount Torrens between 2010 and 2014.

The Council lobbied for additional funding to complete Stage 4. The Federal Government has provided \$2.6M towards completing Stage 4.

The cost to complete Stage 4 has significantly escalated. The preliminary design and cost estimate undertaken by the Department of Infrastructure and Transport identified a total cost of \$11.7M to complete Stage 4 as a sealed bikeway similar to the completed stages of Amy Gillett. An alternate scope was proposed for Stage 4 following discussions between State Government and Council officers. This would be an unsealed path / trail between Mount Torrens and Birdwood at a reduced estimated cost of \$7.9M.

This alternate scope was approved by the delegate for Commonwealth Department of Infrastructure, Transport, Regional Development, Communications and the Arts and the Deed of Agreement (refer **Appendix 1**) was formalised on that revised scope basis.

Council has been seeking State Government funding of \$4.8M as its contribution to the reduced scope as agreed in the Deed of Agreement between the Commonwealth Department of Infrastructure, Transport, Regional Development, Communications and the Arts and Council. This funding is required for Council to meet its obligation under the Deed of Agreement between the Federal Government and Council to secure the federal funding of \$2.6M.

The State Government has offered \$2.6M and has placed additional requirements on Council as part of that offer. The report does not propose that we accept the offer as presented.

This report proposes an alternate offer to be considered by the State Government that includes Council undertaking operations and maintenance activities along the entire Amy Gillett corridor. It also proposes that Council maintains its \$500,000 contribution towards construction of Stage 4. However, it is proposed that the design, construction, including all cost escalation and ownership of Stage 4 shall be the responsibility of the State.

RECOMMENDATION

Council resolves:

- 1. That the report be received and noted**
- 2. That the Council makes the following counteroffer to the State Government**
 - a. Council maintains its commitment to provide up to \$500,000 toward the cost of Stage 4 of the Amy Gillett Bikeway (Mt Torrens to Birdwood), Council will contribute \$125,000 per annum for a total of 4 years to the State Government for the completion of Stage 4.**

- b. Council undertake sweeping, slashing, vegetation, tree management and weed spraying operations of the full length of Amy Gillett (Stages 1 - 4) for the 30 year lifecycle of those assets, at an operational cost of \$100,000 to \$160,000 per annum to Council.
 - c. That the State Government continues to maintain the hard physical assets of the full length of Amy Gillett (Stages 1 - 4) for the lifecycle of those assets.
 - d. That the State Government completes the design collaboratively with Council to look at practical options and solutions to minimise final costs and maximise the scope of the project outcomes.
 - e. That the State Government commits \$4.8M funding towards the completion of the project to ensure that the \$2.6M Federal Government Deed of Agreement obligations are met.
 - f. The State Government undertakes the construction of Stage 4 such that it will meet the project scope obligations as identified in the Deed of Agreement between Council and the Commonwealth Department of Infrastructure, Transport, Regional Development, Communications and the Arts.
 - g. That the State Government commits to any additional costs above the total project costs of \$7.9M as identified in the Deed of Agreement between Council and the Federal Government.
3. That the Council authorise the Chief Executive Officer to present the alternate offer and enter into the necessary agreements with the State Government to ensure that Stage 4 of Amy Gillett is completed.
 4. After any agreements with the State Government are finalised, the Chief Executive Officer is authorised to complete the necessary Variation Request form for Project CDG1623 – Amy Gillett Bikeway with the Commonwealth Department of Infrastructure, Transport, Regional Development, Communications and the Arts.
 5. If required for the purpose of executing any agreement associated with this matter, to authorise the Mayor and Chief Executive Officer to affix the Council's common seal.

1. BACKGROUND

Federal Government funding of \$2.6M through the Commonwealth Department of Infrastructure, Transport, Regional Development, Communications and the Arts was announced in October 2020 towards Stage 4 of the Amy Gillett Bikeway.

Council has been in negotiation with the South Australian Department of Infrastructure and Transport (DIT) regarding the access, design requirements and funding of the delivery of the project.

The State Government through DIT has undertaken Preliminary Design and Cost Estimates that identified a total cost to construct stage 4 of the Amy Gillett would be \$ 11.7M. This would be a sealed shared path for the full length from Mount Torrens to Birdwood similar to the current Stage 1 – 3.

To progress the Deed of Agreement and through further discussion with DIT, a reduced scope that would deliver an unsealed path/ trail from Mount Torrens to Birdwood with an estimated reduced cost of \$7.9M was proposed.

Subsequently, Council in its meeting of 26 April 2023, resolved the following:

18.1.1 Amy Gillett Bikeway – Stage 4 Agreement – Confidential Item

Council resolves:

1. That the report be received and noted.
2. To commit to provide up to \$500,000, if necessary, toward the cost of Stage 4 of the Amy Gillett Bikeway (Mt Torrens to Birdwood), on the proviso that the Council's contribution is spread over a number of years, preferably not less than 4, via an arrangement with the State Government, on an interest free basis.
3. To note that Stage 4 of the Bikeway may be constructed to an unsealed (compacted road base/rubble/gravel) standard, with the ability for the State Government to seal its asset (bitumen/asphalt) in the future.
4. To authorise the Chief Executive Officer or his delegate to:
 - a. finalise arrangements concerning the Council's financial contribution;
 - b. negotiate aspects of the design and construction of the Bikeway;
 - c. enter into a "Deed of Agreement" with the Federal Department of Infrastructure, Transport, Regional Development and Communications, on behalf of the Council, subject to the State Government committing to deliver the project;
 - d. enter into any other agreements or contracts required to finalise the matter, at no additional cost to Council, now, or in the future.
5. If required for the purpose of executing any agreement associated with this matter, to authorise the Mayor and Chief Executive Officer to affix the Council's common seal.

Carried Unanimously

Council has since entered into a Deed of Agreement with the Commonwealth Government that has the first critical milestone due on 3 October 2023 (refer Figure 1). This milestone requires the confirmation of sufficient funding by the State Government. See **Attachment 2** for the signed Agreement in full.

The State Minister of Transport has written to Council, (refer **Appendix 2**) offering to match the Federal Funding offer of \$2.6M but also required Council to complete the design work, undertake construction and be responsible for ongoing maintenance of Stage 4.

This report responds to the letter of offer from the State Government.

2. ANALYSIS

➤ Strategic Management Plan/Functional Strategy/Council Policy Alignment

Strategic Plan 2020-24 – A brighter future

Goal	A functional Built Environment
Objective B1	Our district is easily accessible for Community, our businesses and visitors.
Priority B1.1	Increase accessibility to our district through the development and delivery of high priority trails and routes for all cyclists (on-road, off road, commuters, recreational) and pedestrians.
Priority B1.3	Progress state-wide and inter-regional connectivity of cyclist routes by partnering with neighbouring councils.

Trails and Cycling Routes Management Policy

Support Tourism and economic development within the Adelaide Hills Region.
 Foster community involvement and stewardship of trails and cycle routes

➤ Legal Implications

The Council is currently bound by the Deed of Agreement with the Commonwealth Government and the Commonwealth is not responsible for any additional costs to deliver the project as described in the Deed. It is critical that the State Government agree to all costs to ensure that the project scope obligations, as identified in the Deed of Agreement between the Commonwealth and Council, are completed in full without further financial obligations from Council.

There will be a need to enter into agreements with the State Government to undertake operations and maintenance along the railway corridor.

➤ **Risk Management Implications**

Reaching an agreement for the required level of investment from the State Government will assist in mitigating the risk of:

Losing Federal Grant funding leading to Amy Gillett Stage 4 not being delivered.

Inherent Risk	Residual Risk	Target Risk
Extreme (4A)	Extreme (4B)	Low

The risk assessment outlined above directly relates to the report recommendation to provide an alternative offer to the State Government.

Indirectly, if an agreement is successfully struck between the State Government and Council and the project proceeds as outlined in the recommendation there are other risks that may eventuate. These most notably include maintenance costs varying to those outlined in this report. Maintenance costs referenced in the report have been estimated and can't be confirmed until the negotiations with the State Government are completed. Even then, true maintenance costs can't be established accurately until the project is completed and on ground maintenance requirements are tangible.

If maintenance costs do vary upward or downward from those outlined in this report than Council's contribution will need to adjust accordingly.

➤ **Financial and Resource Implications**

The alternate offer by Council will have an impact of the service delivery from the Open Space team should no additional resources be engaged. The Open Space team will also require additional slashing equipment to undertake the works along the Amy Gillett corridor. The purchase of this equipment can potentially be utilised for Council to undertake works undertaken by contractors elsewhere across the Council area. This may offset some of the cost impacts to Council.

The Administration will need to undertake more detailed analysis of the current levels of service and/ or additional levels of resource to meet these additional obligations.

For the basis of this report, it is considered that the cost to maintain (sweeping, slashing, weed spraying, vegetation management) the full length of Amy Gillett including a completed Stage 4 will range between \$100,000 and \$160,000 per annum. In the absence of savings being identified within the Open Space budget, this will likely result in additional budget being required when the maintenance agreement commences.

The \$500,000 towards the construction of the Amy Gillett Stage 4 has been included in the budget and Long-Term Financial Plan adopted by Council.

➤ **Customer Service and Community/Cultural Implications**

The community has a high expectation that Stage 4 of the Amy Gillett Bikeway will be delivered, and the on-going delays are causing frustration from the community and potential impacts on the family of Amy Gillett.

➤ **Sustainability Implications**

Based on the experiences shared on construction of the first 3 stages and potential broader connections to trails, it is forecast that the Amy Gillett Bikeway would generate sustained positive impacts both economically and socially.

➤ **Engagement/Consultation conducted in the development of the report**

Consultation on the development of this report was as follows:

Council Committees: Not Applicable

Council Workshops: 28 August 2023 – Country Cabinet

Advisory Groups: Not Applicable

External Agencies: Not Applicable

Community: Not Applicable

➤ **Additional Analysis**

The current offer by the State Government of \$2.6M is less than the funding required to meet the funding obligation with the Federal Government. Noting that the Deed of Agreement with the Federal Government identified a \$4.8M contribution from the State Government.

The State Government is seeking that Council contribute additional funding, matching funding of \$2.6M, towards the project. A condition of that offer is that Council completes the final design, undertakes construction and subsequent maintenance of the completed Stage 4 of Amy Gillett.

Council has always maintained that Stage 4 of Amy Gillett Bikeway should be funded, constructed, owned and maintained by the State Government similar to Stages 1 – 3. Noting that Council did construct and maintains a 300 metre section of the Amy Gillett Bikeway in Woodside from Onkaparinga Valley Road to Station Road along the former railway corridor. This was a jointly funded project between Council and the State. This short section was completed in 2019 and constructed in line with the design requirements of the State Government.

Agreeing to the current offer by the State Government would place significant immediate financial pressure on Council. In addition to the \$2.6M impact on Council's operating position, there would be a need for additional project management and contract management resources to deliver a project of this scale over the next 18 months. Council would then have the ongoing maintenance of Stage 4 likely to be in the order of \$40,000 - \$60,000 per annum.

Currently for other off-road Bikeways the State Government advise that councils are responsible for the on-going maintenance. Delivering the maintenance of these facilities is likely to be inefficient for the State Government. One of the discussion points between the State and Council at officer level has been the ongoing maintenance of the corridor and the preference by the State Government for local government to undertake that role.

Given the required change to project scope regarding milestone delivery dates a variation agreement will need to be agreed with the Federal Government. There have already been adjustments negotiated with Officers in the Federal department and it is unknown whether any further changes will be agreed.

A further variation will be required with the Federal Government even if the State Government agrees to the funding as there are other conditions in the October 2023 milestone (refer Figure 1) that won't be met.

Given the forthcoming milestone within the Deed of Agreement with the Commonwealth Government it is imperative that consideration of the Amy Gillett Bikeway matter is forward focusing rather than what has occurred previously. Delays caused by any further investigation into background and context may compromise the \$ 2.6m Federal funding and therefore it is recommended that the alternate offer as detailed in this report is presented to the State Government.

3. OPTIONS

Council has the following options:

- I. Council presents the alternate offer to the State Government as presented in this report. Whilst this alternate offer requires Council to undertake additional operations and maintenance works as part of its program it shows a long-term commitment to the project. This additional proposal by Council is considered manageable, however noting it will require some detailed review of existing service levels and/or additional operational funding. (Recommended)
- II. The Council retain its existing position. The State Government has been clear that it expects a greater contribution from Council to progress and deliver Stage 4. Retaining our existing position is not likely to see the project delivered and may risk the loss of the Federal Grant funding. (Not Recommended)

Dear Dr Wisdom

I write to you regarding Stage 4 of the Amy Gillett Bikeway.

The Department for Infrastructure and Transport (the Department) advises that planning and design works to develop the concept for Stage 4 of the Amy Gillett Bikeway have continued to be undertaken on behalf of Council. As discussed with you previously, these investigations had identified that the estimated cost for the project exceeds the funding raised by Council.

Planning works have continued in good faith on the basis that Council would raise the required funding to deliver the works.

I acknowledge the additional funding proposed by Council of \$500,000 towards the project.

The South Australian Government is prepared to provide \$2.6 million to Council (inclusive of costs incurred by the Department to date – approximately \$510,000) to match the Federal Government's contribution of \$2.6 million. This offer is subject to the following conditions:

- Council contributing \$2.6 million towards the project.
- Council to be responsible for finalising the planning and design.
- Council to be responsible for construction of the project.
- Council to be responsible for ongoing maintenance of the facility under a Head and Licence Agreement (similar to the section you own and manage in Woodside between Onkaparinga Valley Rand and Tiers Road).

This arrangement also aligns with the approach taken with other councils regarding regionally significant paths that provide recreation, transport and tourism benefits that have been developed on State Government land in partnership with local government. Examples include the Westside Bikeway, the Marino Rocks Greenway, the Coast to Vines Trail, the Riesling Trail, the Copper Coast Rail Trail and the Mount Gambier Rail Trail.

To discuss this funding offer further, please contact Mr Andrew Excell, the Department's Executive Director Transport Strategy and Planning, on 0407 080 149 or email andrew.excell@sa.gov.au.

Yours sincerely
