# Summer Reading Club

For every hour you read, colour in the thermometer.

Once you have read for 5 hours, bring your reading sheet into one of our three library branches to go into the draw to win a super special Summer Reading Club prize pack.

For every hour you read, you can add a marble to our reading thermometer at one of our three library branches.

Enter as many times as you like! The more hours you read, the more chances you have of winning!

There's more than one way to win a prize!

Guess how many hours we have read over Summer. The closest guess will go in the draw to win our second Summer Reading Club prize pack.

At the end of Summer we will count the marbles in our reading thermometers and see how many hours we have collectively read over Summer.
