

# Request for Primary Production Rate Rebate Application Form – 2024-2025

In order to qualify you must satisfy below conditions:

1. The Property must not be rated using a Notional Capital Value provided by the Valuer-General
2. The Property must be used primarily for a primary production business (i.e. not a “hobby farm” or similar)
3. As this rebate was implemented in 2008-09 to address the removal of a primary production differential rate, it is considered that this rebate should continue to be made to those ratepayers in the business of primary production who have been granted this rebate in any of the last three rating years (2021-22, 2022-23, or 2023-24)

If you satisfy these conditions and wish to apply for the Primary Production Rebate, please complete the details on this form.
