**10. QUESTIONS ON NOTICE**

**10.1 Old Netball Courts Wright Road Stirling – Cr Kirsty Parkin**

Can Council have an update on the sale of the old Stirling Comets Netball Courts on the corner of Wright Road Stirling?

Officer Response

The old Stirling Comets netball courts are located on the corner of Wright Road and Old Mount Barker Road, Stirling with a street address of 43 Old Mount Barker Road Stirling. The land is described as allotment 11 in File Plan 158057. The total area of the land is approximately 2,200 sqm in size. An aerial photo of the land is provided as **Appendix 1**.

The courts at Wright Road, Stirling were the home of the Stirling Comets Netball Club, and were also used as overflow for the Crafers Tennis Club. Following a condition audit of all courts in the Council region in 2017, the Wright Road courts were considered unsafe, and the cost for remediation significant when considered against the strategic value of the site. At that point in time, the Netball Club had also reached capacity at that site and the land parcel provided no space for expansion.

**ADELAIDE HILLS COUNCIL**  
**MINUTES OF ORDINARY COUNCIL MEETING**  
**TUESDAY 25 JULY 2023**  
**63 MT BARKER ROAD STIRLING**

---

It was acknowledged at the time of audit that the 'home and away' nature of both netball and tennis in that region of the Hills was important, and that Council would explore options for a new home base for the Stirling Comets Netball Club. While several options were explored, the courts at Heathfield High School were deemed the most suitable and the most strategic option for relocation.

Importantly the above-mentioned audit, previous workshops with Council, and Council's most recent Sport and Recreation Strategy have also highlighted that there is an oversupply of courts in the Council region, and the need to consider a more strategic approach to court provision and club locations. As an example Council's most recent Sport and Recreation Strategy suggest an industry benchmark for tennis courts of 1 court per 1,875 of total population, whereas based on the 128 tennis courts in the Council region, the ratio at Adelaide Hills Council is at present approximately 1 court per 313 residents.

Given the need to progress a more strategic approach, Council staff have been reviewing the current facilities, site function and supporting upgrades at the following court sites over the past few years:

- Crafers
- Melville Reserve, Upper Sturt
- Stonehenge Reserve, Stirling
- Atkinson Reserve, Piccadilly
- Heathfield
- Bridgewater
- Aldgate
- Mylor

Information gathered from each review is currently being considered by staff and will form the basis of a workshop presentation and subsequent report for Council that is due towards the end of 2023. At this time the potential sale of the Wright Road site will be considered in a strategic context that will take into account the availability of other relevant land parcels and facilities.

By way of update in relation to the Stirling Comets Netball Club a considerable amount of work has been undertaken over the past four years to establish their new home at Heathfield. Importantly Council has partnered with the Department for Education, Heathfield High School and the Stirling Comets Netball Club to upgrade the courts and provide associated club amenities at the High School site. Stage 1 works (courts, lighting, toilets and access to the Heathfield Oval / Courts) were completed in May 2022. Stage 2 works (canteen, storage & access) are due for completion in July 2023. The Stirling Comets Netball Club, in partnership with the High School are also in the process of planning the construction of a shelter structure at the site. This addition will make the site incredibly functional for netball and tennis and home for the Netball Club.

63 MT BARKER ROAD STIRLING**

In addition, the Crafers Tennis Club have utilised the courts for overflow matches in the 22/23 tennis season and will be able to do so in the future. Council and the Department for Education have entered into a unique joint use agreement (JUA) for future use and asset management of the Heathfield High School site, which, in addition to other benefits provides tenure for the Netball Club at that site. Maintenance and upgrade obligations via this JUA for the Netball Club will reflect obligations that other clubs utilising Council land have; making it a fair and equitable approach for the Netball Club.

**Moved Cr Malcolm Herrmann**

**196/23**

**I move that:**

1. The Chief Executive Officer arranges for staff to undertake an in-house road safety assessment into speeding and increased road use on Ridge Road and Mill Road, Lobethal, both of which are becoming used as a thoroughfare for road users attempting to avoid traffic on Main Street.
2. If the outcomes of the road safety assessment deem it necessary, that options to discourage road users from choosing these roads instead of the Main Street and combat speeding be explored using an external professional (including but not limited to the installation/construction of chicanes, speed bumps or additional signage).
3. The Chief Executive engages with the Department for Education and Child Development regarding increased road usage and speeding vehicles on Mill Road, which affects all traffic and pedestrians to and from the primary school.
4. A report be prepared detailing the outcomes of this assessment for Council's consideration at the ordinary meeting scheduled for 24 October 2023.

- Director Corporate Services, Terry Crackett
- Governance Support, Melissa Grimes

be excluded from attendance at the meeting for Agenda Item 18.1: (Confidential Item) in confidence.

The Council is satisfied that it is necessary that the public, with the exception of Council staff in attendance as specified above, be excluded to enable Council to consider the report at the meeting on the following grounds:

Section 90(3)(j) of the *Local Government Act 1999*, the information to be received, discussed or considered in relation to this Agenda Item is information the disclosure of which:

- (i) would divulge information provided on a confidential basis by or to a Minister of the Crown, or another public authority or official (not being an employee of the council, or a person engaged by the council); and
- (ii) would, on balance, be contrary to the public interest.

Accordingly, on this basis the principle that meetings of the Council should be conducted in a place open to the public has been outweighed by the need to keep the information and discussion confidential.
