AGENDA

BUSINESS ITEM – 12.1

Originating Officer: Deryn Atkinson, Assessment Manager

Subject: Delegations Review of Powers & Functions of Council Assessment Panel (CAP) as a Relevant Authority under the Planning, Development and Infrastructure Act 2016 & General Regulations – Instrument C

For: Decision

EXECUTIVE SUMMARY

The Council Assessment Panel (CAP) was established by the Council on 26 September 2017 under Section 83 of the *Planning, Development and Infrastructure Act 2016*.

Section 100 of the *Planning, Development and Infrastructure Act 2016* (PDI Act) allows a relevant authority, other than an accredited professional, to delegate its powers and functions under this Act. The relevant authorities under the PDI Act are the Minister, the State Planning Commission, an assessment panel appointed by a joint planning board or by a council, an assessment panel constituted by the Minister, an assessment manager, an accredited professional and a council. The CAP, the Council and the Assessment Manager can all sub-delegate their powers and functions.

Delegations from the Council Assessment Panel to staff were last reviewed by CAP on 13 April 2022.

Delegations are reviewed each 12 months unless there are significant amendments that necessitate an earlier review.

The amendments include new delegations in relation to:

- Determining variations of a development authorisation previously given under the PDI Act (including the variation of a condition).
- State Heritage Areas – forming an opinion that a building, structure or landscape feature (or part thereof) does not contribute to the building or features of identified heritage value or demonstrate the historic characteristics expressed in the Historic Area Statement.
- Procedural Matters Public Notification - adding the power to determine that the variation to one or more corresponding exclusions prescribed in Column B of Table 5 is minor in nature and does not require notification.
- Procedure Matters Referrals – adding the power to form the opinion that the variation to an application is minor in nature or would not warrant a referral when considering the purpose of the referral.
- Procedure Matters Referrals – adding the power to form the opinion development materially affects the context within which the State Heritage Place is situated

- Power to use money distributed from the Urban Tree Canopy Off-set Scheme

The entire set of delegations in Instrument C is included as **Attachment 1** of this report for the consideration of CAP and the amendments only are included as **Attachment 2**.

RECOMMENDATION

- 1) That, having considered a review of the Council Assessment Panel Delegations as presented, the Council Assessment Panel hereby revokes all previous delegations to the Assessment Manager and Council (Elected Body) for powers and functions under Instrument C of the Planning, Development and Infrastructure Act 2016 and General Regulations 2017.
- 2) In exercise of the power contained in Section 100 of the *Planning, Development and Infrastructure Act 2016*, the powers and functions under the *Planning, Development and Infrastructure Act 2016* and statutory instruments made thereunder contained in the proposed Instrument of Delegation (Instrument C) (Attachment 1 of the Report dated 9 August 2023) are hereby delegated this 9th day of August 2023 to the Assessment Manager and the Administration subject to the conditions and/or limitations, if any, specified herein or in the Schedule of Conditions in in the proposed Instrument of Delegation.
- 3) Such powers and functions of Instrument C may be further delegated by the Assessment Manager in accordance with Section 100(2) (c) of the *Planning, Development and Infrastructure Act 2016* as the Assessment Manager sees fit, unless otherwise indicated herein or, in the Schedule of Conditions in the proposed Instrument of Delegation.
- 4) That the Assessment Manager be authorised to make any formatting, nomenclature or other minor changes to Instrument C during the period of currency.

1. GOVERNANCE

➤ Legal Implications

The Council is required to have an Assessment Panel in place which is currently comprised of independent members and up to one Council Elected Member.

The *Planning, Development and Infrastructure Act 2016* (PDI Act) was assented to by the Governor on 21 April 2016. On 1 October 2017 the operation of Council Assessment Panel (CAP) pursuant to Sections 82 and 83 of the PDI Act commenced and the *Planning, Development and Infrastructure (General) Regulations 2017* [the PDI General Regulations] came into operation.

There is a requirement under the PDI Act and Regulations for delegations. Pursuant to Section 100(2) (c) of the PDI Act the planning functions and powers related to the delegations in **Attachment 1** are recommended to be delegated to the Assessment Manager.

2. THE NEED FOR DELEGATIONS

The relevant authorities under the PDI Act are the Minister, the State Planning Commission, an assessment panel appointed by a joint planning board, an assessment panel appointed by a council, an assessment panel constituted by the Minister, an assessment manager, an accredited professional and a council. The CAP and the Assessment Manager are the relevant authorities rather than the Council.

The functions of an Assessment Manager as prescribed in Section 87 (e) of the PDI Act extend beyond acting as a relevant authority under the Act. They also include being responsible for managing the staff and operations of the CAP and providing advice to the CAP. Out of administrative necessity this requires that there are delegations to the Assessment Manager from CAP.

The CAP typically considers approximately 4% of the development applications lodged with Council and thus it is necessary for the CAP to delegate its planning functions and powers to Council staff for the assessment of the remaining 96% of development applications.

AMENDMENTS TO DELEGATIONS FROM CAP (INSTRUMENT C)

Delegations from the Council Assessment Panel to staff were last reviewed by CAP on 13 April 2022.

Since adoption of the amendments to Instrument C under the *Planning, Development and Infrastructure Act 2016* and Regulations recent amendments have been made.

The amendments include new delegations in relation to:

- Determining variations of a development authorisation previously given under the PDI Act (including the variation of a condition).
- State Heritage Areas – forming an opinion that a building, structure or landscape feature (or part thereof) does not contribute to the building or features of identified heritage value or demonstrate the historic characteristics expressed in the Historic Area Statement.
- Procedural Matters Public Notification - adding the power to determine that the variation to one or more corresponding exclusions prescribed in Column B of Table 5 is minor in nature and does not require notification.
- Procedure Matters Referrals – adding the power to form the opinion that the variation to an application is minor in nature or would not warrant a referral when considering the purpose of the referral.
- Procedure Matters Referrals – adding the power to form the opinion development materially affects the context within which the State Heritage Place is situated.
- Power to use money distributed from the Urban Tree Canopy Off-set Scheme.

The entire set of delegations in Instrument C is included as **Attachment 1** of this report for the consideration of CAP with the “new provisions” highlighted in red text. The “new

Provisions” are also included separately as **Attachment 2** for ease of reference. The changes are found easily in **Attachment 1** by searching by the ID reference in the word document. It is recommended that delegation of the new provisions be made by CAP to the Assessment Manager. If this occurs the Assessment Manager will initiate further sub-delegations to staff.

Aligned with good governance practice, it is recommended that the existing delegations by CAP in Instrument C be revoked in their entirety and the updated delegations in Instrument C in **Attachment 1** be adopted in their entirety for completeness and to avoid confusion.

3. SUMMARY

The PDI Act and PDI General Regulations – Powers of an Assessment Panel delegations (Instrument C) to staff have been updated as provided by the Local Government Association and outlined in this report.

It is recommended that the delegations as detailed in **Attachment 1** of this report be adopted by the CAP with the new provisions delegated to the Assessment Manager and the previously adopted Instrument of Delegation under the *Planning, Development and Infrastructure Act 2016* and Regulations - Powers of an Assessment Panel (Instrument C) of 13 April 2022 be revoked.
